FOR MULTIPLE DRINK TYPES

 **VIGOUR GROUP**

Full Line Disposable Paper & Plastic Packaging MFG.

SERVE UP ALL YOUR FAVORITE HOT BEVERAGES

From 4oz espresso to 20oz latte, VG hot beverage paper cups are offered in a variety of sizes to suit multiple drink types.

VG's premium paper materials made with fresh wood fiber from leading supplier of integrated paper and forest products, U.S.FDA approved.

An upscale sturdy poly-coating paper structure with tightly rolled rim provides leak-proof and worry-free drinking. Product contains 80% compostable cellulose fiber by weight.

- Each lid has the phrase "CAUTION CONTENTS HOT" written on its surface to warn customers of the temperature of the beverage inside.
- The small hole allows for easy sipping or for stirrers to be inserted. These lids are also stackable for space-efficient storage.

IDEAL FOR ON-THE-GO
BEVERAGE CONSUMPTION

VG paper cup is an ideal choice for concession stands, stadium, snack shack, or other to-go establishment. Stack these cups at your office's break station, or use them at your coffee shop.

We also offer compatible cup sleeves and holders. These options for even more heat protection and convenient for your guests.
