Ideas for supermarkets, delis, wholesale clubs, and convenience stores.

5 SIZES **8-32oz**

- Designed to inhibit tampering
- Highest sense of food security

 **VIGOUR GROUP**

Full Line Disposable Paper & Plastic Packaging MFG.

VG Clear PET Tamper Evident Square Deli Containers are available in sizes 8~32 oz. and are perfect for all deli product needs including cold pasta, fruit salad, leafy green salad, sandwiches, nuts, snack mixes, candy, desserts, and more.

They are designed to attractively and safely merchandise an assortment of food items. The patented lock button tab feature which inhibits tampering, ensures quality and eliminates the need for shrink bands and wrap labels.

The safe lock lid prevents product tampering, and remains attached to ensure that food won't spill during transport.

The lock button tab fastens the top to the base of the container. If tampered with prior to purchase, the lock button tab will not be connected to the base and a clean, round hole in the closure tab will be evident.

The engineered tight rim seal and audible click of the lock button tab promise a leak-resistant experience.
